

START WITH CLICK 3, UNIT 2

Hi. This is her typical Sunday.

I go to bed at 7.30 am. I have some bread with yoghurt and coffee for my dinner. Then I go to school at 10 am. We have six lessons in the morning and three lessons after breakfast. I have lunch at school. We start our lessons at 3 pm but I don't get up. I have a piano lesson with my dance teacher.

I go to school at about 5 am, I sing with my brother and cousin or friends and at half past five we go home. In the evening I watch TV, write books or help my mum.

I get up at about 9 pm.

What about your typical Monday?
