

It has got four legs.	It can't run fast.
It is very big.	It can't swim.
It is green.	It can't jump.
It can jump.	It has got wings.
It can swim.	It has got big ears.
It can fly.	It has got two legs.
It can run fast.	It hasn't got legs.
It can't fly.	It eats grass.
It eats meat.	It lives in Africa.
It eats insect.	It lives in Australia.

It eats fish.	It lives all over the world.
It doesn't eat grass.	It lives in water.
It doesn't eat meat.	It lives in savannahs.
It lives in polar areas.	It lives in forests.
It lives in rivers.	It lives in oceans.
It doesn't live in Europe.	It is small.
It eats everything.	It has got a beak.
It is green.	It is brown.
It lives in deserts.	It has got a tail.
It lives in jungles.	It doesn't live in Africa.
